Intelligence is the ability to adapt to change – Stephen Hawking

God grant me the **Serenity** to accept the things I cannot change, **Courage** to change the things I can and **Wisdom** to know the difference.

14th November, 2021 **CHILDREN'S DAY**

I believe the **CHILDREN ARE OUR FUTURE**

Teach them well and let them lead the way.

Show them all the beauty they possess inside

Give them a sense of pride to make it easier

Let the children's laughter remind us how we used to be.

The greatest love of all is easy to achieve.

Learning to love yourself, is the greatest love of all.

Dear Children,

*I wish you a very **Happy Children's Day**. Love yourself, believe in yourself, and believe in your extraordinary abilities. Each of you is **UNIQUE, WONDERFUL and LOVABLE**.*

God bless all of you. Br. Solomon Morris.
