**SUBJECT: STUDY TIME TABLE FOR CLASS 10 BOYS**

Dear Parents, Guardians and Boys,

The dates have been announced. The exams begin on 21<sup>st</sup> February. In order to prepare for the exams, I have created a Study Time Table for those students who wish to avail of them. The study routine will be available in school. I will personally distribute the routine I have prepared and I will guide you on how to use it.

If you follow the routine strictly and consistently, I will guarantee, you will all do well. I have prepared this routine keeping in mind your holidays, your daily breaks, your time for exercise and rest. I have also considered the fatigue factor and have included some very good tips on how to use your time for effective study. We need to study smart.

Those who are interested in having the study time table, kindly click on the link below and hit the submit button, so that I can take a print out of the routine for each one of you. I need to know the numbers, so I don't waste unnecessary paper.

Thank you and God bless all. All the best!
